THEATRES-CONTINUED

THE CASINO
Al Wilson will be featured at the Casino Theatre this Saturday in "The Air Hawk".
Art Mix will be featured on Sunday and Monday in "The Man from Rio Grande". Ben Williams is the star in "Notch Number One", the Tuesday offering. This is a thrilling drama of the great West showing the sacrifice of a strong man for the woman he loves even when the love is hopeless.
"Riders At Night", a western thriller, will be shown on Wednesday, featuring Big Boy Williams. Franklyn Farnum will be seen in "Border Intrigue", a story of California and Old Mexico, on Thursday. "Scarred Hands", a picture of intrigue and romance in the realm of old and sage brush, will be presented here Saturday with another five reel western drama featuring Hoot Gibson.

THE LINCOLN
Strongheart, the wonder dog, will be featured in "The Love Master" at the Lincoln Theatre this Saturday. The story is laid in the sparsely settled regions of Canada and centers about the mystery of the young man who has arrived with Strongheart and ends with the solution of the mystery and the love victory of the young belle of the settlement along with the boy from the States. A dog race, aimed during the progress of a real one contested by the best dog teams in Canada, provides some real thrills.
The Sunday special will be "Wine". Betty Compton will be seen in "Ramshackle House" on Wednesday.
Tom Mix will be shown in "The Last of the Duanes", Thursday, series of thrilling incidents including a desperate battle by Tom against bandits, kidnapping, the capture and pursuit, particularly the activities of the star, expand one another with almost bewildering rapidity. The Friday attraction will be Reginald Denny in "The Rockless Age".

THE CRITERION
William Farnum will be seen in "The Man Who Fights Alone" at the Criterion Theatre this Saturday. Gloria Swanson in "Wages of Virtue" will be the Sunday special. The picture is a pleasing love tale woven about a young girl, product of the slums, who becomes the toast of the French-foreign Legion. As Carmelita, Miss Swanson has a role ideally suited to her, a part that makes it stand out as the greatest thing she has ever done in her long career.
Colleen Moore will be seen in "Slippy McGee" on Monday; Viola Dana in "Open All Night", on Tuesday. "The King of Wild Horses" and "Pal O' Mine", on Wednesday. The Thursday special will be "It Is the Law". It is a short drama with its theme based on one of those queer quiffs of the law that retains a man's name in the history for the same crime twice. Besides a thousand thrilling moments through the excitement of a trial, the picture has one of the most startling and thrilling climaxes ever written into any story for screen, stage or radio. Rockliff Fellows and Vera Reynolds will be featured in "Flapper Wives", next Friday.

THE VENUS
The Venus Theatre will present Rudolph Valentino in "A Sainted Devil", on Sunday, Monday, Tuesday and Wednesday. It is a story tale of this Spanish-American youth whose bride is stolen from him on his wedding night. His vain search for her, his embittered, burning, against the injustice of life and becoming a bandit, seeking vengeance for his wrongs make a tense, exciting drama, full of hot-blooded action and suspense. Valentino's role is that of a handsome young planter who becomes the terror of the neighborhood and seeks vengeance against everyone with whom he comes in contact. The conditions under which he finally finds his bride and the revenge he takes bring us to an event that is probably more sensational than anything the star has ever done before.
Betty Compton will be seen in "The Fast Set", on Thursday and Friday. It is a dramatic comedy of a family torn apart by the different views on life of husband and wife and wedding together on the basis of a girl of the streets. Makes the viewer realize that her husband loves her and a philanthropic converts the husband that his wife is rich.
Milton Sills will be presented in "Why Women Re-marry", next Saturday, January 10.

THE COLORED ACTORS' UNION
Raises Initiation Fee
Associated Negro Press.
NEW YORK, N. Y., Dec. 31.—The headquarters of the Colored Actors' Union announced that the initiation fee of the organization has been raised to Five Dollars, effective on January 1st. In the latter account paying the announcement, S. H. Dwyer, the general manager of the union, expresses considerable displeasure at the volume of road that the organization has already accomplished, even though its active operations have extended over but one year.
He cites a number of instances where the Union has assisted performers and he asks that those who have been so benefited to provide written acknowledgment of these facts so that it may be used as proof to the few who are yet without the fold.
He makes reference to the purpose of the Union to grow a home for the aged artists, and to create for them in the meantime more favorable working conditions.
It might be stated in this connection that the expose of dressing room conditions made by the Chicago Defender is now being taken up by the United Artists, and that the writer's undertaking and one that has long needed attention.
The seriousness of the Union is best indicated by the fact that it is the first all-colored labor or professional body to request recognition by a campaign of paid advertisement to lay its purpose before the

American Legion Notes

By EMMETT BROWN

The maintenance of Post Headquarters and the activities of City High Post No. 101, American Legion, has been due to personal financial loss and inactivity. A few of the local members of the Post, who have worked conscientiously and faithfully in order to save the Post, have been successful in their efforts. The Post, which has been in a state of financial straits, has been brought to the attention of the American Legion, which has been successful in its efforts to bring the Post back to its former position. AMONG OUR COLLEGES

By Kelly Miller
Those of us who have kept close watch of the output of one school and colleges for the past few years are often forced to ask ourselves the question: Is the young Negro college student in the United States getting the education and training that he needs to become a leader in his race? The answer is, "No."

chairs that had the tendency to appear before the committees of Congress and out of season that the colored schools should share and share alike with the white schools. His insistence often proved embarrassing to his model audience of white and colored superiors. But he insisted all the more. The reformer must always take the long view of the established procedure. Single hand and alone, Nevel Thomas completed the Sun and Court of the District of Columbia to remove restrictions against colored citizens in the restaurants and the court's control. The colored lawyers who were chiefly concerned were in the majority in the court's control. The colored lawyers who were chiefly concerned were in the majority in the court's control.
